

NORTHWEST FOOD HUB NETWORK

YEAR IN REVIEW

WHAT OUR CO-OPS ACHIEVED IN 2023

100
hub-to-hub
transactions

Completed nearly 100 hub-to-hub inventory trading transactions to extend seasonality and expand our sustainably sourced offerings.

\$2+ million
in sales

of local food to
community institutions

{ K-12 schools, hospitals, universities,
and corporate dining programs }

**Maintained 600+ jobs for local farms,
food hubs, and food system non-profits.**

market access

Created market access for more than 300 local farmers, ranchers, and value-added food processors across Washington and Montana.

Sent Montana Marinara, our signature locally sourced pasta sauce, to 125 school districts in every corner of the state.

**\$0.80 of every dollar
returned to farms**

Returned more than \$0.80 of every sales dollar straight to our source farms, reinvesting the rest in their cooperatively owned food hubs
